

# Exciting News:

## Boiler House Spaces receives a generous grant from The National Lottery Community Fund

We are thrilled to share that our Hackney community charity, Boiler House Spaces, has secured an Awards for All grant from The National Lottery Community Fund. This funding will allow us to sustain and expand our reach and impact on the lives of local people in our community.

With this support, we can continue providing essential food and household basics through our Good Place pantry, as well as providing support and guidance on key issues affecting local people.

This announcement comes at a crucial time, and the support from organisations like the National Lottery is pivotal in making a meaningful impact on the lives of individuals and families. We value this recognition for our dedicated staff and volunteer team working alongside the community and look forward to continued collaboration with our partners, supporters and local people.

**“Thanks to the National Lottery Community Fund grant, we can organise more activities like this cake baking workshop for more local families”

**Let's work together to make a difference at Boiler House Spaces!**

**We need your help to realise our exciting plans.**

**We aim to build on the nurturing support offered through our charity nursery to reach more people in the community at Myddleton Grange Estate in Brownswood, Hackney.**

**Additionally, we have big plans to transform our space at George Downing Estate in Stoke Newington, Hackney into a larger, vibrant community hub. This includes establishing a beautiful community garden and sports/games area as well as refurbishing and expanding our community centre.**

**Join us to introduce new initiatives and partnerships alongside local people unlocking new opportunities and creating long-lasting positive change in Hackney.**
